CADDO NATION MOURNS THE LOSS OF THE ELDEST TRIBAL MEMBER

Services for Randlett "Frosty" Edmonds, 97, of Oklahoma City, OK, the oldest member of the Caddo Nation of Oklahoma, were held on Sunday, Aug. 28, 2011 at the Bethel Baptist Church in Anadarko, OK, with the Reverend Alvin Deer,

officiating.

Randlett was born on June 15, 1914 in Binger, OK, and passed away Wednesday, August 24, 2011 at home.

Randlett was raised in Binger and later moved to Anadarko where he married Geneva Yandel Bates. On May 1, 2011 they celebrated their 74th wedding anniversary.

In Anadarko he worked as a laborer, farmer, store owner and custodian for the Anadarko area office.

Being part of the government service, he applied for a bus driving position at Haskell Institute in Lawrence, Kansas, where he worked from 1958 to 1978, and retired from government service after 20 years. There he started a Native arts and craft business which allowed the couple to travel all over the country. Traveling allowed them to see students and former students all across the Nation. Since he and Mrs. Edmonds both worked at Haskell they saw many students.

He then moved to Oklahoma City. He was an avid golfer winning numerous tournaments and made five holes-in-one. In school he was known for his athleticism playing many sports. Being only 5'8" he won the high jump event doing the Fosbury Flop and was disqualified. At the time it wasn't allowed. So you might say, he did the Fosbury Flop before Fosbury. He also won the shotput event with a

toss of 58 ft. When he was around 14, Jim Thorpe taught him to drop kick a football. In high school he made runs of 45, 58, 62, 71 and 90 yards for touchdowns. He was inducted into the Oklahoma Boxing Hall of Fame. He enjoyed playing pool, bowling, horseshoes and cards. The latter is where he got his nickname "Frosty" when he pulled in his winnings saying "Frosty man, Frosty!" In his younger years the older Caddoes referred to him as "Roy". He did hunting and fishing for sustenance. He is the oldest and last of his 12 siblings.

Mr. Edmonds was a cultural leader, song collector and master singer. As a cultural leader, he collected songs from all tribes, including rare ceremonial songs and Caddo social dance songs. He was a master singer of traditional Native songs. He was fluent in the Caddo language and one

OKLAHOMA STATE DEPARTMENT OF EDUCATION HIRES NEW DIRECTOR OF TRIBAL AFFAIRS

Dwight M. Pickering

Dwight Pickering, Caddo tribal member, has been hired as the new Director of Tribal Affairs for the Oklahoma State Department of Education. In his new capacity, he will serve as an ambassador for Indian Education providing guidance and leadership to the Native American tribes recognized as sovereign nations, as well as, collaborate efforts to bridge the gap between the state, tribal nations and schools in order to improve the educational opportunities of the Native American students enrolled in Oklahoma's public schools.

Mr. Pickering has devoted over 30 years of his life working in education and athletics. A third generation of his

family to attend Haskell Indian Junior College in Lawrence, Kansas, he has worked with some of the finest Indian students and athletes in the nation -- some who became Champions and All Americans in their sports.

Among his past positions, he was the Director of Education for the Caddo Nation, the Director of Indian Education in the Sapulpa Public Schools and the Tulsa Public Schools, Head Women's Volleyball Coach, Head Men's Cross Country Track and Athletic Director at Haskell Indian Nations University.

Among his honors and accom-

2011 ASSOCIATION FOR THE ADVANCEMENT OF RETIRED PERSONS (AARP) HONORS CADDO ELDER

On October 4, 2011, at 6:30 p.m., the 2011 AARP Indian Elder Honors will be held at the National Cowboy and Western Heritage Museum in Oklahoma City. Caddo Nation Elder, Mary Lou Davis, has been selected as one of the 2011 AARP Indian Elder Honorees.

Mrs. Davis resides in Oklahoma City, and has led an active life throughout her 85 years. She was married to her late husband, John, for 53 years. She has been an integral part of historic preservation for the Caddo people, whether it is through language, art, or politics.

Along with Mr. Randlett Edmonds, they started Caddo Language classes in Oklahoma City. She served on the

Caddo Heritage Committed, which later formed into the Caddo Heritage Museum Board, of which she was also a member for many years.

Mary Lou served on the Caddo Nation Tribal Council for a total of 17 years, holding various positions such as Oklahoma City District Representative, Treasurer, and Vice-Chairman. Her last term ended in 2009.

She studied Caddo pottery and became a Caddo potter over 20 years ago, with her pottery displayed in various museums, and she still makes pottery in her studio.

Mrs. Davis is active within her community as well. She has served as Secretary for the Red Cross Board, and currently serves on the Advisory Board for Red Earth. She is a cancer survivor and is active with "Colon with a cure". She has served as State President for the Native American Indian Women's Association, and has

sung in her Methodist church choir since 1974.

of the last speakers of the language. He worked with linguists to preserve the Caddo language.

Caddo Chairman Brenda Shemayne Edwards said, "The Caddo Nation is mourning the loss of Randlett Edmonds. He was one of the last true connections to our ancestors and their way of life. "He epitomized our Caddo way of life and taught by example. He was fluent in our language, followed our traditions and was an advocate for preserving our heritage for future generations. He was a Caddo Nation treasure and his loss is immeasurable."

Randlett's wife, Geneva, is the oldest member of the Wichita and Affiliated Tribes. Wichita President

Mr. Pickering is the son of Maxine (Keyes) Pickering-Caddo, and the late Arthur Pickering-Otoe, Kaw.

Dwight's tenure with the State Department of Education will begin in October 2011.

Leslie Standing cancelled the special meeting of the general council of the Wichitas "out of respect due to the loss of Geneva Edmonds' husband, Randlett."

Mr. Edmonds was preceded in death by his mother, Blanche and his father, Houston Edmonds and two unnamed sons. Survivors include Randlett Jr. of San Diego, Calif., Margie Deer, Donna Williams, and Michael Edmonds all of Oklahoma City and one foster daughter, Barbara Ghostbear of Porkypine, SD; 22 grandchildren, numerous great-grandchildren and several great-great-grandchildren.

Randlett was laid to rest at Rock Springs Cemetery, north of Anadarko.

INFORMATION FROM THE LAWTON SERVICE UNIT

Published in the September 2011 Lawton Service Unit Newsletter

Since the beginning of the year there have been many changes in your hospital and clinics all designed to give you better access to quality health care. Here are a few of the highlights:

All our employees are required to receive customer service training with the aim of making your experience here as pleasant, friendly and efficient as possible.

Many of our clinics have gone to the open access system

of appointments where you can get an appointment for the same day you call in.

Many of our staff received national and area wide awards with our dental department receiving the IHS Area Director's award for outstanding service.

We have added 18 (and counting) new providers this year including OB/GYN, Internal medicine, Pediatrics, Dental, Pharmacy and Family Practice.

MEET OUR NEW PROVIDERS!

- Dr. William Reid - Internal Medicine (LIH)
- Dr. Daryl Scurry - Pediatrics (LIH)
- Dr. John Giuliani - Family Practice (AIHC)
- Dr. Melin Cañez - Women's Health (LIH)

- Ounhy Kim - Nurse Practitioner (CIHC)
- Grace Mishkin - Family Nurse Practitioner (RIS and AIHC)

RADIOLOGY UPDATES

The Lawton Radiology and Laboratory Departments were both upgraded this summer with modern technology.

Radiology was upgraded with dual Carestream DRX wireless digital radiography systems. This system eliminates the need to develop films and is similar to a digital camera. It is much faster than old film systems and provides more detailed results for more accurate diagnosis. Images are stored on a computer and sent over a secure network to your doctors. Your doctor

can see your images within minutes after they are taken.

GETTING YOUR MEDICATION REFILLED

If your refills have expired, turn in a refill request at the pharmacy window or call the voicemail line at (580) 354-5538. The pharmacy will route your request to the provider for review and renewal.

If you need to see your provider, you can call for a same day appointment.

If you still have refills remaining on your bottle, turn in a refill request at the pharmacy window after noon to be processed the next business day. You can call in the refill to the automated refill system by calling (580) 354-5339. Please allow two days for processing when using this method.

Please ask a pharmacist if you have any questions about how and when to take your medications. When you check into the clinic you will be assigned a primary care team who will become our Indian Health Medical Home.

URGENT CARE CLINIC NEW HOURS!!!

The Urgent Care Clinic at the Lawton Indian Hospital will now be open from:

8:00am til 8:00 pm • Monday - Friday
(No Break Through The Lunch Hour)

CONTRACT HEALTH SERVICES

The Contract Health Service (CHS) program is used when medical services are not available within an Indian Health Hospital or facility. Due to budget limitations funds are managed in accordance with established medical priorities. The Indian health Service cannot always guarantee that sufficient funds will be available for all health care needs. CHS resources are used for referred services, "referrals" and emergency services.

Referrals: Physicians and other health care professionals DO NOT authorize payment for care. Only the CHS Program Officer can authorize payment for services performed outside of an Indian Health facility. A Contract Health Service (CHS) refer-

ral is written by an Indian Health service (IHS) provider for services that have been determined medically necessary.

CHS referrals are reviewed weekly and ranked according to medical priority. Referrals are approved for payment or deferred due to limited funding. Patients must meet eligibility and alternate resource requirements of the IHS - CHS program.

Emergency Care: CHS must be contacted within 72 hours of receiving emergency care at a non-Indian Health Hospital or facility. This time may be extended to 30 days only if you are elderly or disabled. If the person is unable to contact CHS a person acting on behalf of the patient can contact CHS

within these time limits.

More Information: For more information contact the Local CHS representative. Lawton - (580) 354-5160, Anadarko - (405) 247-7943.

ANADARKO INDIAN HEALTH CENTER

In February 2011, the Anadarko Indian Health Center was structurally damaged due to freezing weather that led to water and sewer pipe freezing and rupture. This caused damage to the facility that required a complete shut-down. Modular units were then brought to the site so that patient care could resume.

The staff of the Anadarko Clinic are currently working with architects to finalize a modern and patient-friendly design for the rebuilding of the clinic. The re-opening of the Anadarko Clinic is expected in early to mid-2012.

The Anadarko Indian Health Center provides primary medical care, pediatric care, laboratory services, pharmacy services, optometry services, behavioral health services, and public health nursing services. They have periodic podiatry foot exams for diabetic patients. Dr. Roman is their Medical Director and Kelly Factor is the Facility Director. Anadarko has same day appointments available. Call at 8am to reserve a time slot at (405) 247-7906 or (405) 247-7928.

NEW "OPEN ACCESS" APPOINTMENT SYSTEM

At the beginning of June this year, the Lawton Service Unit started our Open Access Appointment System in our Pediatric, Women's, Family Practice, and Internal Medicine clinics. This means all you have to do is call in on the morning you want to go to any of the clinics listed above and get an appointment for that same day!

When you need to see the doctor or other provider, call the clinic first thing in the morning to reserve our slot. We will fill the slots on a first come, first served basis and will make appointments until all of the day's slots are filled.

HEALTH ASSISTANCE PROGRAM

The Caddo Tribal council appropriated motor fuel funds for tribal health services to provide assistance to enrolled tribal members in the following categories: eyeglasses/contacts, hearing aids, dental work, health equipment, prescription/medical bills.

Assistance is a one-time only, per fiscal year (October-September) for a maximum of \$100. for enrolled members.

We are in the last month for this Fiscal Year and a total of 90 members have been approved for assistance

thus far. 51 with eyeglasses/contacts, 6 dental, 30 medical bill/RX, and 3 health equipment.

Applications for assistance may be obtained at the Tribal Office or the Community Health Office. Each application must have an original bill and a copy of the applicant's enrollment card.

If you have any questions on this program, they may be directed to the Community Health Director at 405-656-2882 or 405-656-2344, x 220.

OWNER MANAGEMENT OPPORTUNITIES: Estate Planning and Your Trust Land Ownership

Published in the Summer 2011 issue of Trust Matters

Can your adopted child inherit your trust property? Will the American Indian Probate Reform Act (AIPRA) impact inheritance of your trust lands? Is gift deedding a good option for you?

When you have assets, trust or non-trust, you should be the one to make decisions about those assets. Those decisions range from knowing if our trust land is leased to deciding who will inherit your property. As beneficial owner, you have the opportunity to manage your trust lands. But remember, decisions you don't make about your property leave others the opportunity to make decisions for you.

As of June 20, 2006, federal law (AIPRA) not state inheritance law controls who inherits your trust assets. Without a will, your spouse will inherit a life estate and the property may revert to your children or the tribe

upon the spouse's death. Think about what that means to the spouse. Is that what you want? If your trust interest is less than five percent, only one person will inherit that interest. Do you want the operation of AIPRA to decide who inherits those interests?

Remember, good Indian estate planning covers more than just trust property. It also provides for your non-trust assets.

A will is a great way to record your estate planning decisions. Remember, you will die, with or without a will. However, without a will, you won't be the one to decide what happens to your property.

Don't let decisions happen by default!

Contact your Fiduciary Trust Officer (FTO) to find out how your estate may be affected by AIPRA and how you can make the most of owner management opportunities for your trust property. Locate your FTO online at www.doi.gov/ost/fto.

If you have a specific question about your account or trust property, please contact the Trust Beneficiary Call Center, toll free, at 1-888-678-6836. Its operating hours are Monday to Friday, 7:00 a.m. to 6:00 p.m. and Saturday from 8:00 a.m. until noon, Mountain time.

CULTURAL PRESERVATION

By Robert Cast, THPO - The Cultural Preservation Office has been quite busy the last few months. We were recently notified by the National Park Service that several of our grants had been awarded. One of the grants, a NAG-PRA documentation grant working with the Sam Noble Oklahoma Museum of Natural History (SNOMNH) was awarded for a total of \$85,037 dollars. This grant will help us document collections held by the University of Oklahoma and SMOMNH. We also received two Repatriation grants which total \$25,920 and will help us to repatriate Caddo human remains and their funerary objects from two different entities: Stephen F. Austin State University in Nacogdoches, Texas and the Texas Department of Transportation.

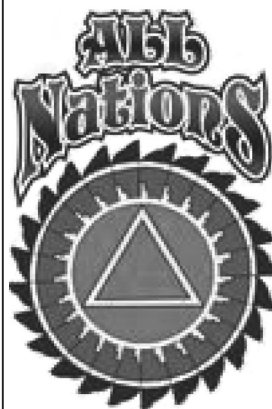

The THPO funding for this year was in the amount of \$54,184. We are about to wrap-up a repackaging contract our office negotiated with the Tulsa District Corps of Engineers and their contractors (EComm, Incorporated) for \$43,509 dollars. Museum Director Kim Penrod has been working on this project. Our office also continues to administer, manage, and review Section 106 undertakings regarding the placement of proposed Cell Tower and Communications Towers across the Caddo Homelands. Part of the revenue from our administrative fees for

our services has been budgeted this year for \$43,825 dollars. We also have a BIA Water Management contract that has approximately \$21,274 dollars remaining in the account which we will use for travel and expenses to gather information in Washington, D. C. We have a National Endowment for the Humanities grant budget that is in its 2nd year of funding which has approximately \$10,547 remaining in the account. This money has been used to work in conjunction with Dr. George

Sabo, III, the University of Arkansas, and the Osage Nation, studying the Carden Bottoms site (and a large number of artifacts from there) in the Arkansas River Valley.

Please feel free to come by our office and visit. If you have any questions or preservation issues or concerns please contact our office at 405-656-2901 or email us at: rcast@caddonation.org, bgonzalez@caddonation.org, or mbotone@caddonation.org.
